Multidisciplinary Mentorship programme to support the entrepreneurship of children in care and young care-leavers

6th and 7th of November, Palermo

The partners from [#INTEGRAeu](#) project met with stakeholders at the press conference organized by [CESIE \(Center for European Studies and Initiatives\)](#) in order to launch the **INTEGRA network**. Guest speakers included representatives from Operative Unit Unaccompanied Minors and Young Adults of the Municipality of Palermo, IKENGA ASP, Centro Penc, Association Humanitaire Niofar, CAS Nuovi Orizzonti, CIAI – Il Centro Italiano Aiuti all’Infanzia.

The meeting also served to **finalize the toolkit for mentors** who help young people who are living in care. **Check out the toolkit** and other resources at <https://integra.uncrcpc.org/resources/>.

Starting December!

The implementation of the [Mentoring Integration Programme](#) to support children in care and young care leavers has started with workshops **aimed at helping guide caretakers**. The six project partners from Cyprus, Greece, Italy, Spain and Portugal will train mentors to use **the toolkit designed by the INTEGRA project**. The resources include [assessment tools](#) that will help mentors and young people detect needs and define the best path for each individual towards adulthood. Look up your [local partner](#) for more information, and join the free training!

Until March of 2020

The project #INTEGRAeu is entering an exciting phase of implementation. Many free activities will be offered between January and March 2020 in order to capacitate mentors and better equip the young care leavers:

- Follow up on support workshops. In January and February of 2020 there will be more workshops offered to institutions and caregivers;
- The partners will continue to meet in order to grow the network and the number of [supporters](#) and **collaborating organizations**;
- Launch the [P4C – Platform for Cooperation](#) with local resources in each country and an easy-to-use guide to find the best information in a fast and reliable way
